Notice of Annual General Meeting 2007 continued

Punch Taverns plc (the 'Company')

Notes

The Annual General Meeting is a meeting of members (that is to say, shareholders) which the Company must hold each year.

A member entitled to attend and vote at the meeting may appoint one or more proxies to attend and, on a poll, to vote instead of him. A proxy need not also be a member. To be effective, instruments appointing a proxy should be lodged with the Company's Registrars (Computershare Investor Services plc, PO Box 1075, The Pavilions, Bridgwater Road, Bristol BS99 3FA) at least 48 hours before the appointed time of the meeting (that is to say, no later than 2.00pm on 22 January 2007).

In order to attend or vote at the meeting, a member must be entered on the Company's register of members at 2.00pm on 22 January 2007. A member will only be entitled to vote in respect of those shares registered in his name at that time. Changes to entries on the Company's register of members after that time will be disregarded in determining the rights of any person to attend or vote at the meeting.

Please note that the Annual General Meeting is a private meeting for shareholders, proxies and duly authorised representatives. Non-shareholders, including spouse and partners, are not entitled to attend the meeting. A disabled shareholder may, however, be accompanied by a carer who need not be a shareholder.

Copies of the Directors' contracts of service and register of directors' interests are available for inspection at the Company's registered office during normal business hours of each business day and will be at the place of the Annual General Meeting for one hour before, and until the conclusion of, the meeting.

At this year's Annual General Meeting there are 11 resolutions which the members are asked to approve. An explanation of these resolutions is given below.

Resolution 1

The Directors must lay the Company's financial statements, the Directors' report and the Auditors' report before the Members at a General Meeting. This is a legal requirement after the Directors have approved the financial statements and the Directors' report, and the Auditors have prepared their report.

Resolution 2

Ernst & Young LLP have expressed their willingness to continue to act as auditors of the Company.

Resolution 3

The Report on Directors' Remuneration is set out on pages 31 to 44 of the Annual Report.

Resolution 4

An interim dividend of 4.4 pence per Ordinary share has already been paid on 30 June 2006. The directors are recommending a final dividend of 9.0 pence per Ordinary share, payable on 26 January 2007, to shareholders on the register as at 29 December 2006.

Resolution 5

The provisions of the Political Parties, Election and Referendums Act 2000 require companies to seek shareholder approval for donations to organisations within the European Community which are, or could be, categorised as an EU Political Organisation. Although the Company does not intend to make donations to political parties, within the normal meaning of that expression, the definition in the legislation of 'EU Political Organisations' can extend to bodies such as those concerned with policy review, law reform, the representation of the business community and special interest groups such as those concerned with the environment, which the Company and its subsidiaries may wish to support.

Resolution 6

This resolution seeks authority for the Board to allot up to 87,386,260 shares in the Company (representing approximately 33% of the Company's Ordinary shares in issue as at 8 November 2006). The authority will lapse at the end of the next Annual General Meeting of the Company or after 18 months from the passing of this resolution (whichever is earlier). The Directors have no current intention to exercise the authority granted by this resolution. The 1985 Act requires such authority to be granted by the Company in a general meeting so that any allotment of shares is not exercised at the sole discretion of the Directors. As at the date of this notice, the Company does not currently hold any of its Ordinary shares as treasury shares.

Resolutions 7-9

Under the Company's Articles of Association, a minimum of one-third of the directors shall retire from office and therefore Mike Foster, Peter Cawdron and Ian Fraser will retire at the Annual General Meeting. They are eligible for, and are seeking, re-appointment. Biographical details of each Director are set out on pages 22 and 23 of the Annual Report.

Resolution 10

If a company proposes to allot shares or other 'equity securities' wholly for cash it has a statutory obligation (subject to certain exemptions) to offer those shares to holders of similar shares in proportion to their holdings. Resolution 10 seeks to remove this statutory right of first refusal for up to 13,240,342 shares (representing approximately 5% of the Company's Ordinary shares in issue as at 8 November 2006) to give the Directors some flexibility to raise capital through an issue of shares. The resolution also applies to the sale and re-issue of Ordinary shares held as treasury stock by the Company.

Resolution 11

This resolution seeks authority for the Company to make market purchases of its own Ordinary shares, which would otherwise be prohibited by the 1985 Act. Purchases of the Company's own shares will be made only after considering the effects on earnings per share and the benefits for shareholders generally. You are asked to consent to the purchase by the Company of up to 26,480,685 shares (representing approximately 10% of the Company's Ordinary shares in issue as at 8 November 2006). This authority will expire at the end of the next Annual General Meeting of the Company or after 18 months from the passing of this resolution (whichever is earlier).

The maximum price which may be paid for an Ordinary share is 105% of the average middle market quotations for the five business days preceding the purchase and the minimum price which may be paid for any Ordinary share is its nominal value of 0.04786 pence.

The total number of options to subscribe for Ordinary shares outstanding as at 8 November 2006 was 4,385,100 representing 1.66% of the Company's Ordinary shares in issue as at that date. If the authority to buy back shares under this resolution was exercised in full, the total number of options to subscribe for Ordinary shares outstanding as at 8 November 2006 would, assuming no further Ordinary shares are issued after that date, represent 1.84% of the Company's Ordinary shares in issue. As at the date of this notice there are no warrants to subscribe for Ordinary shares in the Company.

Companies are now permitted to retain any of their own shares which they have purchased as treasury stock with a view to possible re-issue at a future date, rather than cancelling them. The Company will consider holding any of its own shares that it purchases pursuant to the authority conferred by this resolution as treasury stock. This would give the Company the ability to re-issue treasury shares quickly and cost-effectively, and would provide the company with additional flexibility in the management of its capital base.

The Directors believe that the proposals in Resolutions 1 to 11 are in the best interests of the Company and shareholders as a whole. Accordingly, they unanimously recommend that shareholders vote in favour of each resolution as they intend to do in respect of their beneficial holdings.
